COURSEWORK

UNDERGRADUATE

Compiler Design
Machine Learning
Operating Systems
Computer Networks
Software Engineering
Database Management

SKILLS

PROGRAMMING

Over 1000 problems:

• Java • C++

Over 1000 lines:

• HTML • CSS • Bootstrap • NodeJS
• Javascript • ReactJS

Familiar:

• Object-Oriented Programming • Github
• Database Management System • MySQL
• Computer Networking • MongoDB
• Visual Studio Code • IntelliJ IDEA

PROJECTS

SHIPKART | MERN STACK

- Built a robust E-commerce store, implementing CRUD functionalities to efficiently manage products and product types.
- Tech Stack — HTML, CSS, JavaScript, ReactJS, Bootstrap, NodeJS, MongoDB.
- Improved usability with intuitive filters, allowing customers to easily browse and find products based on categories, brands, and price ranges.
- Ensured secure payment processing through integrated payment gateways, enhancing customer trust and data protection.

BLOOD BANK | MERN STACK

- Developed a Blood Bank system to efficiently manage blood donations, ensuring the availability of blood for medical emergencies.
- Tech Stack — HTML, CSS, JavaScript, ReactJS, Bootstrap, NodeJS, MongoDB.
- Empowered authorized administrators to have full control and management of the blood bank system, facilitating smooth operations.
- Enhanced user experience by implementing user-friendly filters for browsing blood donors, blood types, and locations, making it easier for users to find the information they need.

CODING PROFILES

CODECHEF | 459 PROBLEMS SOLVED
Highest Rating 1529

LEETCODE | 392 PROBLEMS SOLVED
Highest Rating 1527

AWARDS

- An integral member of the only team from our institute that achieved qualification for the GeeksforGeeks Solve for India Hackathon.
- Advanced through all college-level rounds in the Smart India Hackathon.
- Secured Global Rank 640 in Starters 83 Challenge on CodeChef.
- Secured Global Rank 763 in Starters 86 Challenge on CodeChef.

CERTIFICATION

- CyberOps Associate By Cisco Networking Academy
- Networking Essentials By Cisco Networking Academy
- CCNA 7: Switching, Routing, and Wireless Essentials By Cisco Networking Academy
